

Husqvarna PG 830 S

PG 830 S grinder focus on core grinding performance. It is a single motor version of the largest floor grinder size in the Husqvarna PG-range. This is a good choice for most grinding jobs, and for users that prefer a non-motorised drive. The PG 830 S is easy to use, still with large capacity thanks to the 32 in / 830 mm grinding width. Adjustable weights for extra grinding pressure are standard. Key components are sealed against dust and slurry for maximised reliability and low maintenance.

Motor

Rated input power	11 kW
Rated current	30 A
Voltage	380-415 V
Phases	3
Pins	3P+E

Other

Grinding disc diameter	270 mm
Direction of rotation	Both directions
Number of grinding discs	3

Dimensions

Product size length	1550 mm
Product size width	830 mm
Product size height	1145 mm
Weight	497 kg

Features for PG 830 S

Adjustable grinding pressure

The weights are a must-have for every professional grinder, as they allow to adjust the grinding pressure in the pre-set positions. They also make tilting the machine that much easier.

Hour and RPM meter

Possibility to log operating hours and read the RPM of the machine.

Ergonomic handle

Adjustable handle for better ergonomics

Sealed to last

Sealed grinding head with 1000 hrs service interval. No dust or water can intrude to damage components.

Protected electronics

Dust sealed electrical cabinet with external cooling technology.
