

## JUNIOR Ride-on

Powerful like the big machines!

**The new compact version of the ride-on stripper with the best price-performance ratio**

The forward leaning construction puts the centre of gravitation on the tool itself and allows for optimum stripping performance, normally only achieved by machines twice the size.

### SPECIAL FEATURES

Working speed up to 37m/min  
With a working speed of up to 37m/min the stripping performance is increased, especially when removing elastic or textile coverings.

Weight of 340 or 420 kg  
Weight is essential for optimum stripping performance and traction but weight restrictions are also to be observed for example soil bearing capacity, load capacity of lifts and loading capacity of transport vehicles.

“Soft touch” operating handles  
The new “soft touch” operating handles allow easy access and fatigue-free work over many hours maintaining an ergonomic seating position. Even less experienced users are able to use the JUNIOR Ride-On without extensive training or experience.

Zero turn radius  
Maximum manoeuvrability is achieved via the hydraulic rear-wheel drive together with the front swivel castor. This is especially useful when turning at the end of a room. The zero turn radius increases productivity clearly.

Pat. Pend. EU, AUS

### TECHNICAL DATA

**MOTOR**  
Power Supply: 230 V  
Motor Power: 2,2 kW  
Speed: up to 37 m/min (121 ft/min)

**DIMENSIONS**  
Length: 1300 mm (51 3/16")  
Width: 610 mm (24")  
Height: 1000 mm (39 3/8")

**WEIGHT**  
Net weight: 340 kg (750 lbs)  
Side weights: 80 kg (176 lbs)  
Total weight: 420 kg (926 lbs)

Order No. 111 416 000

### Accessory Set Ride-On JUNIOR

configuration of the most popular and most frequently used tools
